

**Magnolia Grove Scholarship Fund
2024 Application**

The purpose of the Magnolia Grove Scholarship is to further support Senior girls from either Rowan or Cabarrus Counties planning to pursue a 2- or 4-year degree within the wellness industry, who are planning to attend or are currently enrolled at Rowan-Cabarrus Community College. While this industry is diverse (i.e. nutrition, physical therapy, massage, skincare, holistic care, mental health, etc.), we feel that supporting other women only further supports the overarching theme of helping people of all walks of life improve their health and wellness throughout their life's journey. Living a healthy and long life is important to us all. Applicants must be able to provide a reference from within their current high schools to prove county of residence. The application due date is April 30, 2024. Please email application and video introduction (details below) to: info@magnoliagrovec.com. If you have problems with the video upload, please feel free to reach out to 704-315-6350.
